

17 March 2020

Dear Parents / Carers,

**VIEWING WEEK POSTPONED**

I hope that by now you will have read in our email to you later last week, Genesis Dance and Drama Academies are taking the health of our GDA community very seriously. We are following the instruction of Genesis Christian College Principal Mr Paul Sterling, and the Government Health Authorities and will keep you updated of further directives with regard to any changes to our classes.

At present all Dance and Drama classes are continuing as scheduled. The only current change to our Academy timetable has been to postpone viewing week (planned for week commencing 30 March 2020) until Term 2. We know that viewing week is always a much looked forward to date for the students and families alike, and so we will update you of the new date in due course.

The College and Academy are taking many preventative measures to maintain a healthy environment, including regular cleaning of ballet barres, acro mats and other equipment, limiting physical contact and encouraging students to use the antibacterial hand sanitizer at the entry to the classrooms.

Please take note of the previous correspondence regarding travel, self-isolation and communication expectations with the Academy.

Thank you for your support of the Genesis Dance and Drama Academies, and your understanding with regard to the Academy's response to the Coronavirus. We are grateful for your calm and measured response.

You are welcome to make contact if you have any queries.

Kind regards,

The team at Genesis Dance and Drama Academies
